NEW YORK, Sept. 21.

A London special says that despatches from Madrid state that the Queen of Spain. Admiral Toalite, and all the naval force off Cally had revolted.

The Generals recently banished have returned and joined the revolt. Marshal De La Torre headed the movement, and the leading men of the old O'Donnellist party sustain it. Several towns have joined the insurrection, and the most intense panie prevailed at the Court in

Madrid. Troops had been despatched South, Son. Gough taking command.

A rumor prevalled in Paris on Saturday, that Queen Isabella had abdicated. NEW YORK, 21.

A meeting of the tax-payers of Mount Vernon, West Chester County, washeld in that village on Saturday evening, to consider sandry appropriations for improvements in the roads and crosswalks, and before any vote was taken, a etition was offered from a hundred lalies of the village demanding the right to vote on the question, as they were ax payers. The village charter was New Store and New Goods, project to show that they were not qualded. During the proceedings, a lady taked permission to say a few words on schalf of another lady, a heavy tax-payse, who had just entered the room, but she was declared out of order. A Mr. DRISCOLL'S NEW BLOCK, Wingate then arose and said that several OH ZAKE STREET, added had deputed him to represent chem, but he was hooted down with
